Charleston, WV 25301

To learn more about the West Virginia School-Based Health Assembly, please call 304-342-1330 or 304-757-5280 or visit our website at [www.wwsbha.org](http://www.wwsbha.org)

*As an affiliate of the WV Primary Care Association, WWSBHA is your link to a statewide network of providers and supporters interested in school-based health. WWSBHA receives support from the Sisters of Saint Joseph Health and Wellness Foundation.*

West Virginia School-Based Health Assembly  
c/o West Virginia Primary Care Association  
1219 Virginia Street, East  
Charleston, WV 25301

*A statewide membership organization advancing comprehensive health care in school settings.*

# About the WV School-Based Health Assembly

More than 20% of WV's public school children require regular and ongoing health service during the day. In order to bring partners interested in school-based health care together, the WV School-Based Health Assembly was formed in 1995. WWSBHA now serves as the lead membership organization and unified voice in the state for the advancement of school-based health care.

---

*Comprehensive health care in school settings includes a range of services provided by school-based health centers, school nurses, behavioral health practitioners, dental care providers, health promotion and prevention specialists, and health educators.*

---

## Benefits of Membership

When you join WWSBHA, you gain unique opportunities to learn, share ideas and help shape the future of school-based health care in West Virginia.

- Receive useful information, including updates on key issues, events and grant opportunities.
- Participate in regional networking and mentoring opportunities with others to exchange knowledge and ideas to improve policies and practices.
- Influence policy issues that you care about at both the national and state levels by being a part of a larger advocacy voice through legislative alerts, and advocacy training opportunities.
- Receive voting privileges that enable you to shape the future of school-based health care.
- Engage in leadership opportunities and a forum in which to share ideas relating to public policy, service sustainability and expansion planning, and communications.
- Link to the WWSBHA web-page to increase exposure of your school-based health service.
